IMPORTANT INFORMATION

The contents of this document are given for purely indicative purposes and have no contractual value.
This document should not be read in isolation. For further information on the product please refer to the prospectus.
This document does not constitute an offer, or an invitation to make an offer, from Société Générale to purchase or sell a product.
Prior to investing in the product, investors should seek independent financial, tax, accounting and legal advice.

Société Générale is a French credit institution (bank) that is authorised and supervised by the European Central Bank (ECB) and the Autorité de Contrôle Prudentiel et de Résolution (ACPR) (the French Prudential Control and Resolution Authority) and regulated by the Autorité des marchés financiers (the French financial markets regulator) (AMF).

* Please note that the financial instrument described in this document is not a “financial product” within the meaning of Article 2 (12) of the SFDR (“Sustainable Finance Disclosure Regulation”), which aims to provide investors with information on the ESG characteristics of “financial products”.
Information on the “SFDR-like" categorization of the financial instrument described in this document is provided to the distributor for information and commercial purposes, but not for regulatory purposes, as is the case with the "European ESG Template" (EET) document.
This information is never intended for distribution to the end investor.
